PART III: SCHEDULING FOR FALL

Please review the enclosed teacher schedule and select time blocks and days that you would prefer your lessons. Two children can study with different teachers at the same time! Please make a note if this is what you would like to do. Please do not choose a specific time like "4:00". We already have over 125 students registered for all and chances are we will not be able to grant such requests. Time blocks such as 4:00-7:00 are more helpful in scheduling. "Earlier" or "Later" will also help! **Please complete ALL questions!!**
